

Food and wine trekking in the Alte Marche (Accessible for the Visually Impaired)

Duration: 3 days / 2 nights

Destination: Marche, Italy

Suitable for: Blind or visually impaired travellers

Description: Experience the tranquility and sensory richness of the Alte Marche on this unique, accessible nature tour, designed for travelers seeking an inclusive, multi-sensory adventure. Over three days, immerse yourself in lush forests, serene waterfalls, and charming villages, where each activity focuses on enhancing sensory awareness—perfect for travelers who are blind or visually impaired. Guided by experienced leaders, you'll engage with nature through sounds, textures, and scents and dedicated assistance throughout. This journey combines relaxation, cultural exploration, and deep connection to the environment, ensuring a memorable and inclusive experience in the heart of Italy.

Day 1: Gola del Furlo and Acqualagna

Morning: Gola del Furlo

Begin your adventure with a guided nature trail tour through the stunning Gola del Furlo. Our specialized guide will provide detailed verbal descriptions of the breathtaking views, rich biodiversity, and the steep cliffs of the gorge. Experience the lush forest and listen to the sounds of nature while exploring trails that are designed to be accessible.

Visit Riserva Naturale del Furlo and engage in a sensory-rich experience with a guide who will describe the natural surroundings in detail. Enjoy tactile maps and Braille materials where available. The museum visit includes Braille inscriptions for a more inclusive experience.

Afternoon: Acqualagna

Participate in a guided truffle hunting tour. The guide will provide verbal explanations of the truffle hunting process and describe the flavors and aromas of the truffle dishes.

Day 2: Fosso dell'Eremo and Apecchio

Morning: Fosso dell'Eremo

Enjoy a serene hike with a guide who will provide detailed verbal descriptions of the peaceful landscapes and historical hermitages. This area is ideal for meditation and offers a tranquil retreat into nature. Experience guided meditation and tactile exploration of natural elements with a focus on auditory and tactile senses.

Afternoon: Apecchio

Enjoy a picnic lunch in a scenic spot with assistance to ensure a comfortable dining experience. Explore the charming town of Apecchio with a guide who will describe the local craftsmanship and natural beauty in detail. Visit local shops that offer tactile and auditory experiences.

Day 3: Gorgaccia Waterfalls and Bosco di Tecchie

Morning: Gorgaccia Waterfalls

Hike to the Gorgaccia Waterfalls with a guide who will describe the spectacular display of cascading waters and the lush, green setting. Engage in a sensory-rich experience, focusing on the sounds and tactile sensations of the natural environment.

Afternoon: Bosco di Tecchie

Have a picnic in the tranquil surroundings of Bosco di Tecchie, with assistance provided to ensure comfort. Explore the dense forest area known for its rich flora and fauna. Enjoy guided hiking and bird watching with detailed verbal descriptions. Engage in forest bathing with a focus on sensory experiences, such as the sounds of the forest and the textures of natural elements.

Evening: Beer tasting

Take part in a unique and inclusive beer tasting experience designed specifically for blind and visually impaired guests.
